

tuchux connection by kyppyn kirkaLdy

Philked to the tune of Rainbow Connection from the Original Muppet Movie

Why are there so many Tuchux in front of us,
and what's on the East's other side?
Tuchux are whinos and thick as dumb rhino's
Tuchux have everything to hide.

So we've been told, and some choose to believe it
I know they're wrong wait and see.

Someday we'll find it...the Tuchex connection.
With a quick snap, hard wrap, and pokey

Who said that every Chux would be bad and ugly
Some don't even have a blue card
Somebody thought of that and someone believed it
Look what it's done so far,

What's so amazing we still let'em keep playing
How much more safe could we be?

Someday we'll find it...the Tuchex connection.
With a quick snap, hard wrap, and pokey

All of us use them as a big pell, you
Know that they probably use magic

Have you been half asleep, do their drums
sound like voices?
I've heard them screaming my name.

Is this the sound that calls young girls to them?
The voice might be one in the same.

I've heard them too many times to ignore it
It's something that I'm s'posed to beat.

Someday we'll find it...the Tuchex connection.
With a quick snap, hard wrap, and pokey

Why are there so many Tuchux among us?
That's just what big bullies do.

Tuchux are fighters and nightmare reminders
I've seen them howl at the moon.

All of us watching and wishing they grow up
I've noticed you're watching too.

Someday we'll find it...the Tuchex connection.
With a quick snap, hard wrap, and a clue

Fight like in a movie, make up your own rules
Keep believing, keep pretending
You've done just what you set out to do

Thanks to the rhinos , the weirdoes, and you!
